# Valve's Fake Games Look Great, Actually

As part of its recent Summer Sale, the company behind *Half-Life* created art for fake video games

@shoomlah

HEYYY the Steam Summer Sale has concluded, so I can finally share all of the fake game art I got to make for it! 😎👍

The idea for this sale was to design a bunch of relatively convincing key art to hide in the Steam storefront, all of which were a little weird on second glance:
